ORDER
PRN 0111301

By its Petition (PRN 0111301) to the Division of Gaming Enforcement ("Division"), Boardwalk Regency Corporation d/b/a Caesars Atlantic City ("Caesars") sought permission for various amendments to its Certificate of Operation. The Division approved the amendments by letter dated January 22, 2013. Included in the requested changes to the Certificate of Operation was the inclusion, as gaming floor space, on occasion and with proper prior notification to the Division, of Caesars' multi-function room, Palladium Ballroom. Currently, the Palladium Ballroom is authorized as a Type II (hotel) outlet on Caesars' Casino Hotel Alcoholic Beverage ("CHAB") license. Caesars seeks the authorization of the Palladium Ballroom as a Type I (casino/simulcast) area when the Palladium Ballroom is approved and functioning as gaming floor space.

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the Palladium Ballroom be authorized as a Type I CHAB outlet during those times when that venue is approved as gaming floor space, and authorized as a Type II location at all other times, with the following conditions:

1. During the times when the Palladium Ballroom is authorized as gaming floor space, Caesars will operate the Palladium Ballroom in compliance with all requirements attendant to Type I CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(1)* and *N.J.A.C. 13:69I-3.1*, and with all alcoholic beverage laws

and regulations of the Division of Gaming Enforcement, and as deemed applicable, the New Jersey Division of Alcoholic Beverage Control.

2. Caesars will comply with its submission of January 11, 2013 (#C-03-13-001), including notification to be provided to the Division prior to the use of the Palladium Ballroom as gaming floor space.
3. The relief granted herein will be continuing, without expiration, provided that Caesars complies, in all respects, to the conditions contained herein and to the conditions contained in the Division's approval letter dated January 22, 2013.
